Racquets For Rookies
8791 Lake In The Woods
Chagrin Falls, OH 44022

Dear Ms. Marchant:

Michael and Keisha were able to enjoy a summer of reading, exercise, health education, nutritional meals, and their very own books because people like you thought enough of them to support the Inner City Tennis Committee. New tennis racquets and the introduction of tennis as a life time sport was exciting and fun. They returned to school prepared for the new year and their teachers would not be forced to review last year's curriculum before proceeding.

For our first summer of organization this program, at Lakewood Courts and Thurgood Marshall Recreation Center, we were able to use your donation of over 50 racquets to complete the challenge. The summer of 2011 is expected to be just as challenging.

The coaches, teachers, the youth and Board of Directors thank you so much for your support.

Sincerely,

Mr. Brian Smallwood
Executive Director of ICTC
